### PROBABLE CAUSE STATEMENT

On June 10, 2008, the defendant identified as, **Antonio CASTILLO-Quinonez**, was apprehended by the U.S. Border Patrol. The defendant was arrested for illegal entry and violation of California Vehicle Code 23152 (A) DUI Alcohol/Drugs and booked into County Jail. While in the custody of county jail, an Immigration Agent determined the defendant to be a citizen of Mexico and placed an Immigration Hold (I-247) pending his release from jail.

On July 15, 2008 the defendant was referred to the custody of the United States Immigration and Customs Enforcement (ICE), Field Office in San Diego, California. An Immigration Officer conducted computer database record checks and reviewed various sources of information confirming the defendant to be a citizen of Mexico having been deported or removed from the United States on at least one occasion.

A thorough review of official immigration computer database record checks and information contained in the Alien Registration file revealed that the defendant **Antonio CASTILLO-Quinonez**, has been ordered removed from the United States by an Immigration Judge on or about August 22, 2005 and removed to Mexico, via the San Ysidro Port of Entry on August 22, 2005. Record checks further indicate that the defendant has not applied to the Attorney General of the United States or the Secretary of the Department of Homeland Security for permission to re-enter the United States.

The Automated Biometric Fingerprint Identification System (IDENT) and Automated Fingerprint Identification System (IAFIS) were utilized and compared the defendant's fingerprints to those contained in these databases. The results confirmed the defendant's identity as, **Antonio CASTILLO-Quinonez**, a citizen and national of Mexico.
